Dear Members of ISPPD

Hope this mail finds you all safe and healthy.

In view of the prevailing pandemic situation, the head office received a letter from the organizing committee of 42nd national conference of ISPPD to be held from 27th - 29th November 2020, Ahmedabad and based on the subsequent discussion during the 4th EC meeting of the society, ***I regret to inform you that the said Ahmedabad conference 2020 stands cancelled. Accordingly, all the proceeding associated with annual conference including AGM & elections of the office bearers shall be postponed till the next annual conference to be held in Bhubaneswar 2021*** however, annual report of the society shall be mailed to all the members for information & comments, if any.

The EC has taken this decision due to the continued uncertainty surrounding Covid-19 with coronavirus cases in India well over 34 lac mark, and deaths now pushing toward 65000 and considering that the health of our members, delegates, partners and organizing team is of paramount importance.

Moreover, due to the continued disruption to travel and ban on large gatherings this year, it will not be possible to host an event of the high quality which our delegates expect from us however the EC has decided to hold a virtual academic event at the national level around the same time.

The above decision has been taken after seeking legal opinion and through the majority opinion of the Executive Council.

Stay Safe, Stay Healthy

Warm regards

Dr Nikhil Srivastava
General Secretary
