The Official Newsletter of  
Indian Society of Pedodontics and Preventive Dentistry

July-September 2022

**T**he Indian Society of Pedodontics and Preventive Dentistry (ISPPD) is a progressive society which has been at the forefront of providing opportunities of skill development for its members. The months of Indian monsoons saw a shower of activities of academic development. The certificate program of Special Care Dentistry was launched with an online mode and an in person module. The second edition of ISPPD faculty development program was organized in an online mode and was attended by large number of members. Fourth Reviewer's and Author's training workshop was organized at the KSR Dental College, Tiruchengode, Tamilnadu with participation from large number of colleges across India. As an opportunity for the students and faculty, ISPPD launched its Essay Competition, Teachers Day and Children's Day Competitions in this period. As we gear up for the National Conference Pedotaal in Bhopal, we wish everyone the best to shine globally and make the best of your society's endeavors. We would also convey our heartfelt wishes to all our members in this season of festivities across faith, cultures and regions.

# National Events

**43<sup>rd</sup>** National ISPPD  
Conference  
**PEDOTAAL 2022**

*Sail through the Lake of Knowledge*

## Welcome Address from Organizing Chairperson

It gives me a great pleasure to welcome all delegates, participants, sponsors and exhibitors to the **43rd National Conference of Indian Society of Pedodontics & Preventive Dentistry** which will be held on **24th-26th November, 2022**.

We are more inspired to expand our reach across the border of this region by bringing together dental researchers, clinical practitioners, partners in the industry and colleagues from the academe to discuss the latest research breakthrough and advances in technology. The meeting provides all participants an opportunity to exchange knowledge, share ideas and collaborate on new researches to strengthen and develop the advancements we've achieved so far, thereby, improving oral health in the region.

It is through research that oral health has been given its much deserved attention and is now considered an important aspect in the overall well being of an individual. The organizing committee together with the National Advisory Committee has prepared an exciting scientific program for everyone to take part in.

On behalf of the Organizing Committee of the National Conference on Pedodontics & Preventive Dentistry, I would like to invite everyone to participate in this important national event of the dental industry.

***I look forward to welcoming you to the exotic and beautiful city of Bhopal !***

***Thank you!***

**Regards**
